*Dance this way, dance that way,  
Winner of the dance!*

"What does that song mean, Spider?" the three animals kept asking. He only told them to keep dancing.

Little did the three know that the costumes they were wearing were made of a corrosive plant. You know that plant with a milky white sap that oozes away from? Yes, that one. What do you think happened when they finished practising? The bark made them no longer recognizable. When the hunter came, he chased them away.
